Mar 2023 - May 2023
Ewing, NJ
Jan 2022 - Jan 2023
Rio de Janeiro, Brazil
Feb 2011 - Aug 2017

PROJECTS

- World Cup 2026 Host Cities** [GitHub](#) **Apr 2023**
- Developed a full-stack CRUD app using JavaScript, Express, MongoDB, and CSS
 - Built a JSON API with 1000+ lines of data on host cities' information
 - Integrated Bcrypt authentication for data security
- Choruso Full Stack Music Player App** [GitHub](#) **May 2023**
- Collaborated with a team of 3 to develop a full-stack app using Python, Django, and PostgreSQL
 - Utilized Agile, overcoming remote task management challenges, and meeting deadlines transparently
 - Deployed app on Heroku by conducting code reviews, and seeking assistance when needed
- Networking Tracker App** [GitHub](#) **May 2023**
- Engineered a comprehensive MERN full-stack application for contact management and networking tracking
 - Ensured web application functionality, data integrity, and reliability through API endpoint testing with Postman
 - Implemented SASS for seamless UI/UX, ensuring optimal user engagement and satisfaction

WORK EXPERIENCE

- Professional Photographer** **Hightstown, NJ**
Juliana Martinez Photography (Business owner) Mar 2019 - Dec 2022
- Generated 50% revenue through effective client understanding, communication, and tailored solutions for 75+ clients in first year
 - Created customized Adobe Lightroom presets and Photoshop actions for portrait retouching, enhancing over 500 client images with industry trends, resulting in a 25% faster editing process and a competitive edge.
 - Integrated Google Cloud Storage and redundant backup systems to safeguard critical client images, minimizing data loss incidents by 95%. Utilized industry best practices like dual data centers and automated backups for robust data protection.
- School Psychologist** **Rio de Janeiro, Brazil**
Escola Canto dos Pássaros Jan 2016 - Jan 2017
- Managed the implementation of "The Leader in Me" project, a comprehensive leadership and personal effectiveness program, in a school with 360+ students and 20+ staff and teachers
 - Guided students in a "Community Action Plan" project targeting environmental conservation, initiating tree-planting campaigns, conducting clean-up drives, and raising awareness about sustainable practices to preserve natural resources
 - Evaluated "The Leader in Me" implementation through monthly meetings with teachers and parents, leveraging feedback to drive improvement and maximize outcomes, increasing involvement in school initiatives by 40% and strengthening the home-school connection
